B- Reading Comprehension

(5 Marks)

(3) Read the following, then answer the questions : (5 Marks)

There have been hotels for hundreds of years , but they might be different in the future . Usually there are friendly people who write your name and address , carry your bags to your room and give you breakfast in the morning .
In Japan , there is a hotel where there are no people working at all : all the work there is done by robots .

When you first arrive at the hotel to check in , a robot tells you what to do : you should enter information about yourself on a computer . The robot is able to communicate in lots of different languages . You don't need a key for your room because a computer in the door will recognise you . There is even a robot in each room who is able to turn lights on and off and answer simple questions .

A) Answer the following questions:

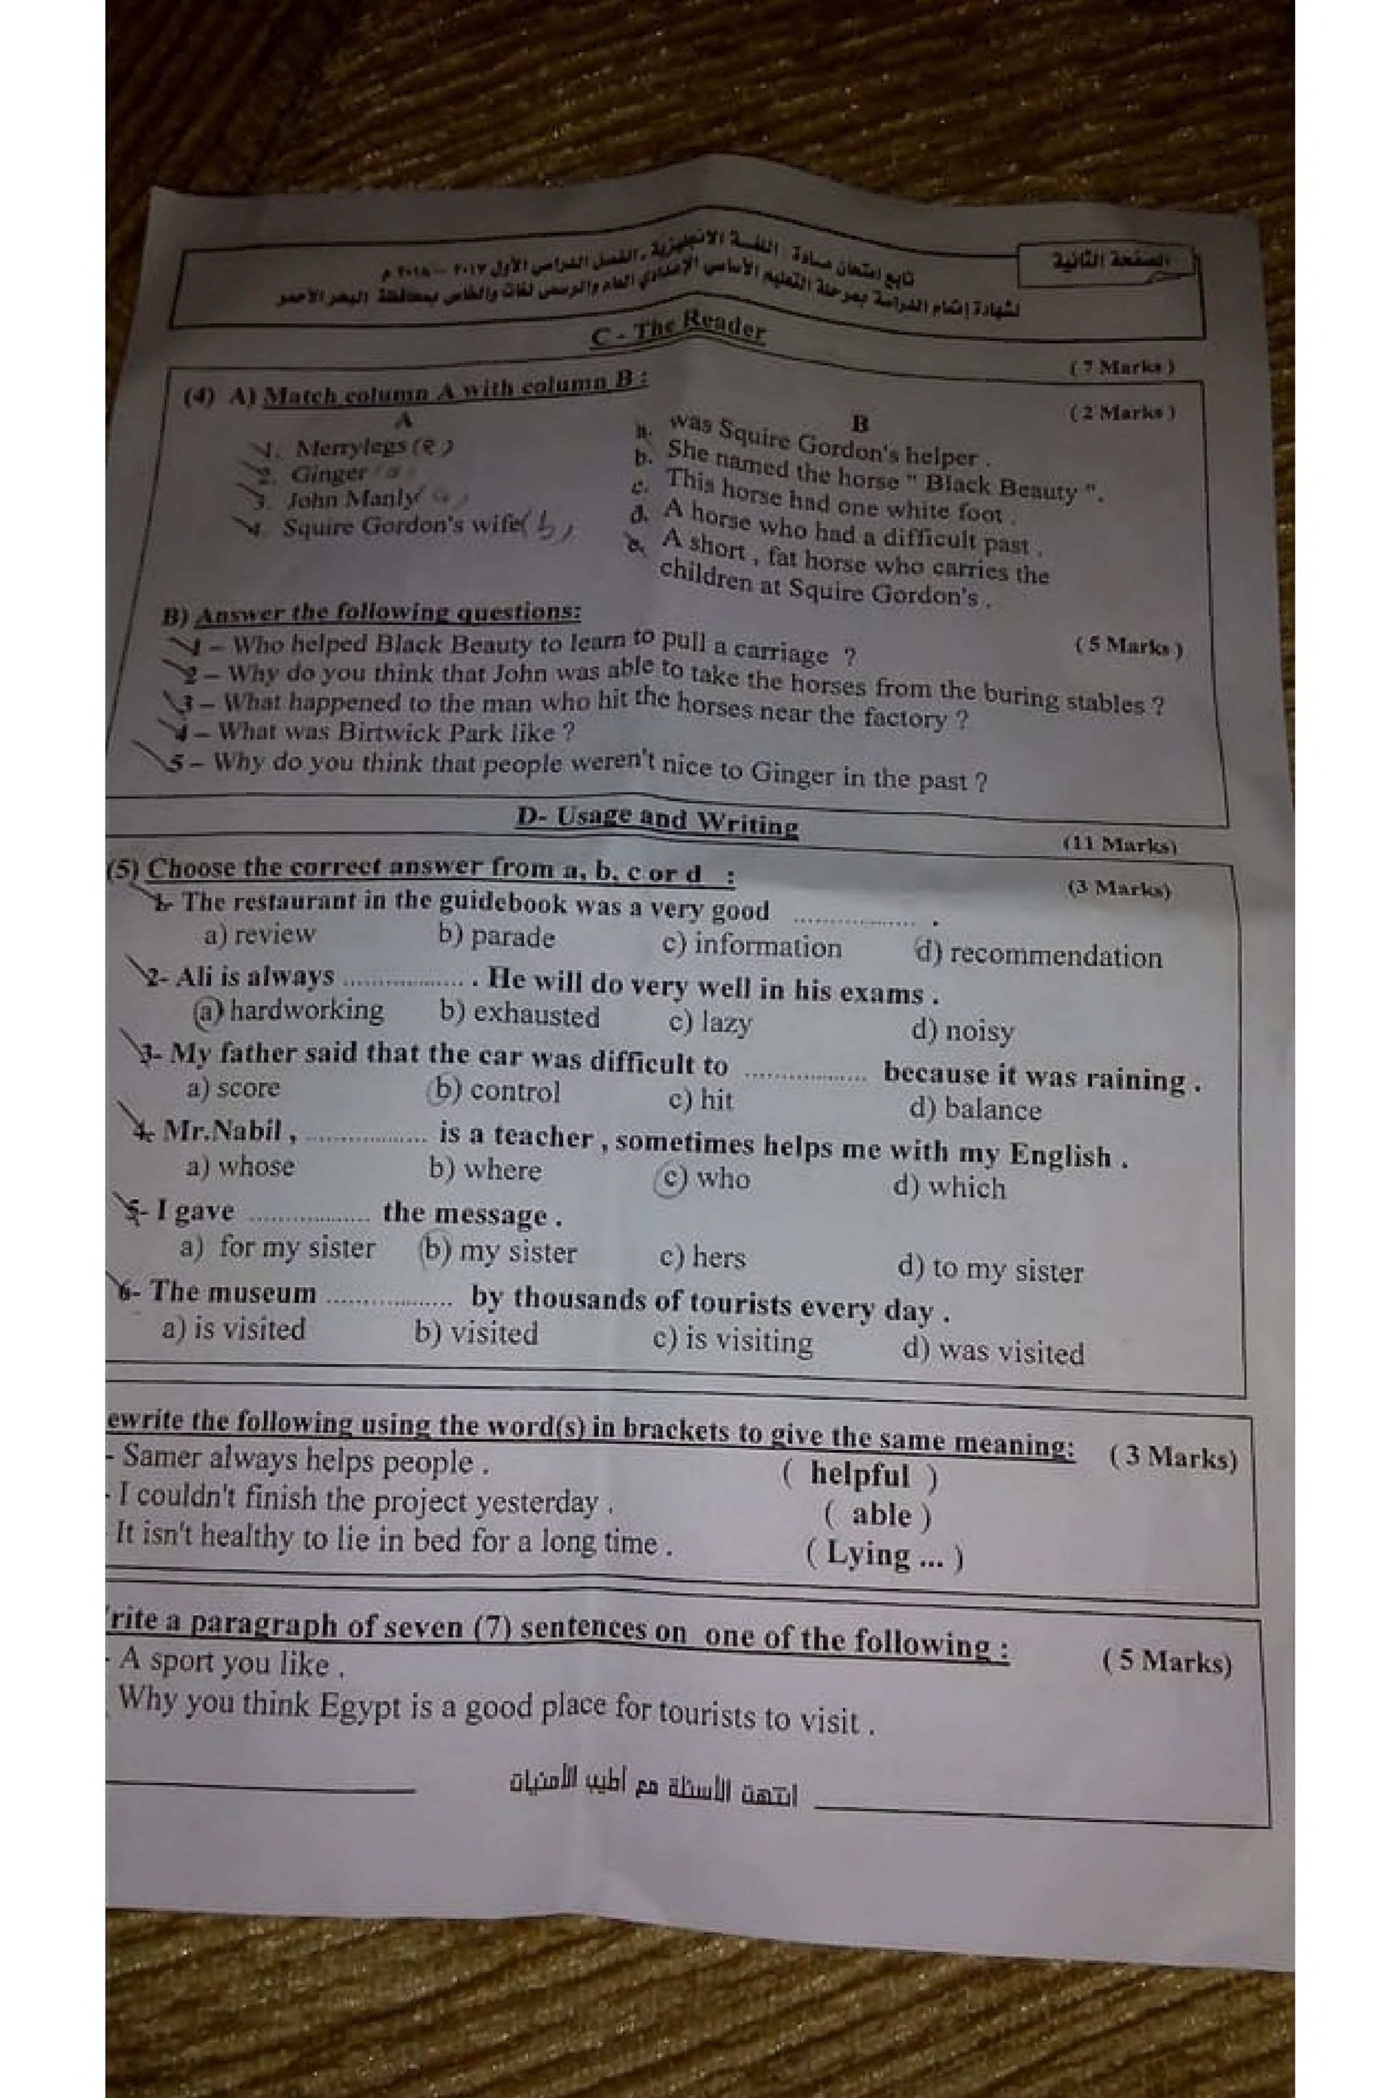

1. Why are there no people working in this hotel ?
2. Why don't you need a key to your room in this hotel ?
3. What problems do you think you might have in a hotel like this ?

B) Choose the correct answer from a ,b ,c ,or d:

4. Check in means ....
a) sleep b) park your car c) report that you have arrived d) wake up

5. The underlined word there refers to ....
a) Japan b) the hotel c) the future d) the robot
